The hinged panelled top rising to reveal a folding triptych bevelled dressing mirror, above hinged compartments for ladies dressing accoutrements, enclosing shaped glass shelves, the trays with fitted

The bevelled glass slide to the front opening to reveal three compartments, one with a removable tray and three sprung loaded secret doors with hidden release mechanism, the central drawer activated by the depression of a screw head on the central hinge to the top, the side drawers activated by depression of the base of one of the a glass bottle apertures,

The central kneehole flanked by a single drawer to either side, on tapering square and line inlayed feet with brass cappings and castors

Maple and Company were founded in 1841 in Tottenham Court Road, London. By the 1880s they were the largest and most successful furniture makers in the world, their huge emporium having become a tourist attraction in its own right. In addition to their middle class clientele, they furnished palaces all over the globe, including Tsar Nicholas's Winter Palace, the Hofburg Imperial Palace in Vienna, and many of Britain's country houses.

Offered in very good original period condition. There are some minor areas where attention is required
