Here we offer for sale a very high quality set of early twentieth century solid mahogany chairs. The set has two carvers (armchairs) with six chairs. The chairs have crisply carved 'Cathedral' backs with three central splats connecting in ovals at the top rail. The chairs are upholstered in rich patterned pink with filling.

This is a very nicely modelled and carved set offered at a great piece and in very good condition commensurate with age. They are also, as is sometimes not mentioned, extremely
