Antique Period English 16th c. Oak Four Poster Bed

£0.00

Width	175cm	69in
Length	222cm	87 1/2in
Height	208.5cm	82in

Origin	English
Period	16th c., some later alterations
Wood	Oak
Mattress	Mopheus - Medium Elgin Supreme, 4ft 6

Here we offer for sale a fine period English four poster bed.

The headboard with sliding door compartments to the top above three carved Elizabethan strapwork panels and plain moulded panels below, dated 1577. Original side rails lead to the crisply carved turned posts.

The tester (canopy) has 16 panels and plain moulded cornice.

This is a top quality bed with excellent colour and patina. It has had some alterations in its lifetime including splitting the canopy in two (for easy transportation) bed and replacement nuts
