Early 20th c. French Ormolu Girandole Mirror

£0.00

Period	c.1930
Period	French Louis XV
Composition	Ormolu (gilded brass)
Mirror	Bevel edged
Width	34 cm / 13 1/4 in
Height	74 cm / 29 in
Condition	Very good condition commensurate with age. Piece of ribbon to the middle right broken off (not obvious on inspection). Has been sympathetically converted to electricity with brass bulb holders and traditional cord wire covering. The mirror was working when removed from our customers property, however we would advised it is checked and installed by a qualified electrician.
