

Heavy Stone Two Handled Classical Garden Urn

£0.00

Composition	Stone
Height	118cm / 46 1/2"

Three sections: top urn, socle base and rectangular base

Handles to either side

Classical mouldings and design

Lovely quality. Fantastic in the garden, on the driveway or planted in a conservatory. Could even be converted to a very nice water feature for the centre of a pond.

Very good condition, removed from a Worcestershire manor house.

N.B. Very heavy
