£395.00

Vintage Opal & Diamond Ring in 9ct Gold – Scrollwork Setting

A charming vintage dress ring set with a bright oval opal flanked by six small diamonds in an ornate 9ct gold mount. The opal displays delicate flashes of green, blue and pink in varying light. The surrounding diamonds are claw set in stylised floral clusters, all framed by finely cast scrollwork shoulders. The ring is fully hallmarked for 9ct gold (marks worn), dating to the 20th century.

Weight: 5.1 grams

Ring size: UK O

Condition: Good vintage condition. Light wear commensurate with age. The hallmarks are slightly rubbed but legible. The opal remains secure and displays attractive natural play-of-colour.

Provenance: Private collection, Worcestershire
