Victorian Cylinder Fronted Painted Bureau Cabinet c.1860

£0.00

Victorian Cylinder Fronted Painted Bureau Cabinet c.1860

Width	79cm	41"
Depth	47.5cm	18 3/4"
Height	150cm	59"

	Bureau Cabinet
Period	Victorian

Superb quality

Ornate brass gallery to the top

Centre door with hand painted classical convex panel surmounted by brass border.

Display shelves to either side with original mirror backs and columsn with brass capitals, bases and fluting.

Lovely elegant satinwood frieze drawers painted with neoclassical floral swags

The hand painted cylinder front rolls back to reveal a sliding writing surface with red velvet top and drawers within.

There is a further drawer beneath.

The bureau stands on circular tapered, brass fluted legs with original antique casters.

This is a lovely piece of very high quality and workmanship with exquisitely painted panels.

Very good structural condition. Some areas of paint loss and scratches to the surface, could be repolished. Brass inlay and collars could be repolished if desired. There are one or two collars missing. Treasure Trove Worcester can arrange any restoration work.

Please note this item is sold.
