| Composition | The whole made from carved marble in three sections affixed   |
| Condition   | Good condition. Minor repaired filler to marble. Minor nibbles to bust commensurate with age. Small chip to base as pictured. Very heavy, top quality |

Offered for sale a carved marble bust of a Roman Emperor, believed to be Marcus Aurelius.

The head sculpted in white Carrara style marble, with the base to match. The armoured torso in a rich rouge and cream veined marble.

Standing at over 3 feet in height, its handsome dimensions and powerful expression give this bust great character.

Would look fantastic mounted atop a marble pedestal or sitting in an alcove.
