We are pleased to offer a very impressive French carved walnut cabinet sideboard

Made at the turn of the century in France it is superbly carved from walnut in the Renaissance manner.

~~Carved broken scrolled pediment top. Three doors to the upper section with fine carved foliate panels, each surmounted by columns on acanthus leaf bases. Central plate rack above the surface. Three frieze drawers. Three further doors to the base, opening to reveal shelf space within. Stepped base. Beautiful colour and patina.~~

An original piece, heavy and handsome, removed from a country house in Worcestershire.
