French Marble Topped Maple Side Cabinet

£0.00

French Marble Topped Maple Side Cabinet

Heavy shaped green veined marble top with moulded edge.

Sits atop cabinet with maple wood and gilt metal mounts to the whole. Single frieze drawer to the top centre with small gilt metal handles. Above large door opening to reveal cupboard space. Surmounted by bowed sides with two further doors. Each panel door with a heavy ornately moulded classical style gilt metal mount and gilt escutcheon plates. Carried on four feet further adorned in gilt metal. .

Late twentieth century in date; offered in good condition in align with age and previous use. All mounts present. Marble top sound, though with a previous repaired break to the back left corner. Few little marks to finish, colour good. The mounts are of metal with a painted Royal gold finish.

Width: 121 cm

Depth: 49 cm

Height: 101 cm
