Kidney Shaped Mahogany Leather Topped Desk

£0.00

Kidney Shaped Mahogany Leather Topped Desk

We are pleased to offer a lovely quality hand crafted solid mahogany desk.

Kidney shaped with green inset leather top. Rich mahogany body with four drawers to either side of the kneehole and a single drawer to the centre. Solid brass handles. Curved panelled sides and front.

The desk is worked to the whole allowing it to be viewed from all angles and stand in the middle of a room.

Made from sustainable mahogany timber.

Width: 128 cm

Depth: 57 cm

Height: 74 cm

Offered in very good unused condition. Purchased for a London townhouse last year, however never installed. Leather and finish in very good order with a few minor storage marks only. Minor non structural split to a back panel as pictured.

Great looking piece, ready for a new home!
