Bentley Self Levelling Wheel Badges £0.00

Full set of four genuine Bentley Self Levelling Wheel Badges

blattorisea Beinlegt de alersplete with presentation box, lever key for removing wheel centres and card for free fitting at

Really good reduction on these. New the wheel badges are around £550 and the valve covers £30. Minor wear to item cases.

A fantastic set for the discerning car owner.

These fit most Bentley models, but we would advise you check the internet to confirm they are suitable for your car. We are not a motor parts dealer so would not be able to answer model specific questions.
