

Bradley & Hubbard John Bull Blinking Eye
Novelty Clock

£0.00

Period	Antique, late 19th c.,
Width	20 cm / 8 in
Depth	12 cm / 4 3/4 in
Height	38 cm / 15 in
Manufacturer	Bradley & Hubbard, USA
Decoration	Enamel dial with hand painted Roman numerals. Blued steel hands, single winding hole with brass outer ring. Cast iron body in the form of John Bull. Blinking eyes set in the head (movement side to side). Cast iron base. The manufacturers mark and patent date to the underside
Movement	Original movement offered in good examined and serviced condition. The eyes have their full blinking (side to side) motion.
Condition	Good condition. Body sound, painting in good condition. The movement, though original, is not the most sophisticated, however it has been fully examined and serviced

	and is currently in good working order with the full eye movement
